

State and Municipal Administration

One of the specialties at the Faculty of Economics and Management of Mingachevir State University is State and Municipal Administration.

The main mission of the specialty of state and municipal administration is the formation of a professional national personnel potential, which will ensure sustainable development in the field of state and public administration in the country. Specialists in the field of state and municipal administration are engaged in such tasks as budgeting, control over housing and communal services. Upon graduation, graduates can work as civil servants, public and municipal administration specialists, financial managers and other positions.
